

Dear alumni, Parents, Students and well wishers and all stakeholders,

The initiative of District Police Administration for the donation of old mobiles and laptops should be praised for its noble objective of giving platform to those poor and needy students who are deprived of education due to unavailability of these devices. The SP Hon'ble Shri Saahab Kartik of Hazaribag should be appreciated for these innovative step of his. It is his visionary approach which has made this possible. Undoubtedly, this initiative would prove a giant step in facilitating such children with old mobile, laptop and other gadgets in working condition as most of the people would come forward willingly for donating the old devices which may be of no use for them but can create a huge difference in the life of these underprivileged children who have equal right to education like the privileged ones.

In this regard as the President of HSSC I have made an appeal all the Principals of Hazaribag Sahodaya School Complex to request their teachers and parents to donate their mobiles and Laptops which are not in use but are in working condition. Moreover, I have also requested the teaching and non teaching staff of the school to come forward and be the medium of education for someone who really deserves it. As it is said the example is better than percept I have started the noble task of by donating my personal Laptop in working condition today in presence of SHO, Sadar Thana.

I hope you will also take efforts to make this initiative a success.
